Title I Individualized Professional Development Pilot

Micro-Credentials, sometimes called badges, are a shift towards validating individual teacher learning through digital lessons and online PD.

Micro-credentials or badges enable teachers to independently complete professional development using the Internet and online courseware. Over 150 digital badges are currently available to teachers on a variety of topics, from best practices to expert lesson content.

Due to Title I Funding, this pilot is only available to certificated staff at Title I sites: DGE, EES, EWE, MES, RRC, WCE, WES, WTH, DBM, EMS, LVS, TCM and OHS.

According to the course menu:

- Level 2 courses once completed and successfully submitted shall receive one-hundred dollars (\$100.00)
- Level 3 courses once completed and successfully submitted shall receive one-hundred and fifty (\$150.00)
- Level 4 courses once completed and successfully submitted shall receive two-hundred dollars (\$200.00)
