Title I Math Support Provider MOU

The Association and the District agree to the following:

- Implement Title I Math Support Providers at four Title I sites (three (3) elementary and one (1) middle school) for the 2019/2020 school year. EES, MES, WCE and TCM
- Site administration will create a panel consisting of the following:
 - Elementary - one grade level representative for each grade level selected by the grade level
 - Middle School - the panel will consist of one math teacher per grade level selected by the math teachers at each grade level and a counselor
- The Math Support Providers will participate in Support Provider (Coach) training provided by an outside agency such as RCOE as needed and will be provided release time or paid at the hourly extra duty rate.
- The Math Support Providers will begin to coordinate communication with site teachers such as, voluntary collaborative groups after school and all participants, not including the Math Support Provider, will be compensated at the hourly extra duty rate.
- The Math Support Providers shall not exceed thirty-four (34) days of release time to support site teachers in the area of math instruction.
- The Math Support Providers may participate in up to three (3) days of planning together during the summer months, prior to the start of the school year and shall be paid at the hourly extra duty rate.
- The Math Support Providers will receive an Instructional Stipend, which will be paid at 5% of Step C1 and will be added to the list of Instructional Stipends. (Refer to Instructional Stipend Schedule)
- Teachers that participate in the Math Support Provider professional development after school, shall be compensated at the hourly extra duty rate.
- The Math Support Providers will collaborate on a quarterly basis during the school year.
- The Math Support Providers will coordinate their release days to ensure they are not out of their classrooms on the same days.
- The district will hire one (1) Temporary Teacher to rove/cover the release days for the four (4) Math Support Providers for the school year.

The district and association agree this MOU will expire June 30, 2020.
